Re: Change of Correspondence Address
Number of Pages Sent: 8
Message:

I mailed 12 Change of Correspondence Address forms for patent applications to the PTO in February 2005. I've been receiving mail still incorrectly addressed. Today, I checked public PAIR and discovered only 5 of the 12 applications had the address correction noted.

I am resending the change forms which were not correctly processed in February and would appreciate very much if the correspondence address could be changed for these applications.

If there are any problems or questions, please give me a call.

Thank you.
